MJ-1206B

MJ-1206BBX Retail Boxed (available special order upon request)

1000lb Capacity Marine Jack (Weld On Version)

Ideal for use with boat, sport craft, snowmobile and other recreational trailers.

1,000lb Support/Lift Capacity

Large 1/2" pull pin to activate the swivel mechanism

Large grooved comfort handle to operate the jack

Snap ring design with raw weld-on bracket

Durable clear zinc finish (2 1/8" outer tube construction)

Single 6" poly caster wheel

10" travel distance

24" jack height fully retracted

13-1/2" bracket height (from bottom of jack to center of swivel when fully retracted)

MJ-1000W

1200lb Capacity Marine Jack

Ideal for use with boat, sport craft, snowmobile and other recreational trailers.

1,200lb Support/Lift Capacity

Large 1/2" pull pin to activate the swivel mechanism

Large grooved comfort handle to operate the jack

Four bolt pin through design with large diamond shaped washer for side load support

Durable clear zinc finish (2 1/8" outer tube construction)

Bolt on hardware included to mount from 2"x2" to 3"x5" trailer frame

Single 6" poly caster wheel

10" travel distance

24" jack height fully retracted

13-1/2" bracket height (from bottom of jack to center of swivel when fully retracted)

MJ-1200B

MJ-1200BBX Retail Boxed (available special order upon request)

1500lb Capacity Marine Jack

Ideal for use with boat, sport craft, snowmobile and other recreational trailers.

1,500lb Support/Lift Capacity

Large 1/2" pull pin to activate the swivel mechanism

Large grooved comfort handle to operate the jack

Four bolt pin through design with large diamond shaped washer for side load support

Durable clear zinc finish (2 1/4" outer tube construction)

Bolt on hardware included to mount from 2"x2" to 3"x5" trailer frame

Single 8" poly caster wheel

10" travel distance

26" jack height fully retracted

13-1/2" bracket height (from bottom of jack to center of swivel when fully retracted)

MJ-1500B

1500lb Capacity Marine Jack (Dual Wheel)

Ideal for use with boat, sport craft, snowmobile and other recreational trailers.

1,500lb Support/Lift Capacity

Large 1/2" pull pin to activate the swivel mechanism

Large grooved comfort handle to operate the jack

Four bolt pin through design with large diamond shaped washer for side load support

Durable clear zinc finish (2 1/4" outer tube construction)

Bolt on hardware included to mount from 2"x2" to 3"x5" trailer frame

Dual 6" poly caster wheels

10" travel distance

26" jack height fully retracted

12-1/2" bracket height (from bottom of jack to center of swivel when fully retracted)

MJ-1500B-DWL

MJ-1500BBX-DWL Retail Boxed (available special order upon request)

2500lb Capacity Marine Jack

Ideal for use with boat, sport craft, snowmobile and other recreational trailers.

2,500lb Support/Lift Capacity

Large grooved comfort handle to operate the jack

2-1/4" outside square tube construction

Grease zerk for easy greasing of jack

Durable clear zinc finish

Bolt on hardware included to mount from 2"x2" to 3"x5" trailer frame

15" travel distance

24-3/4" jack height fully retracted

7-1/4" bracket height (from bottom of jack to center of bracket when fully retracted)

3-3/4"x7-1/2" sand foot with drop leg adds 13-3/4" of adjustability

MJSQ-2500B

5000lb Capacity Marine Jack

Ideal for use with boat, sport craft, snowmobile and other recreational trailers.

5,000lb Support/Lift Capacity

Large grooved comfort handle to operate the jack

2-1/2" outside square tube construction

Grease zerk for easy greasing of jack

Durable clear zinc finish

Bolt on application with 5"x7-1/2" mounting plate for up to 6" tall trailer frames (mounting hardware not included)

1/2" holes spaced in 1" increments

15" travel distance
