Single Acting

Hydraulic Power Unit - Dual Acting Power Up/Power Down

STRONG & RELIABLE
RAM
PREMIUM
SERIES

Hydraulic power units and control switch/remote pendant works with RAM hydraulic jacks and scissor hoist systems.

- Works with 12 volt deep cycle direct current RV/Marine trailer battery (not supplied)
- 1.6 KW 12v DC motor
- Dual acting - Power Up/Power Down
- 3200 psi extension and 1500 psi retraction working pressure
- Includes control switch/remote pendant with 12' cord
- HPU-DA004 four quart usable volume reservoir, dual acting HPU (image shown)
- HPU-DA006 six quart usable volume reservoir, dual acting HPU (available special order upon request)
- HPU-DA008 eight quart usable volume reservoir, dual acting HPU (available special order upon request)
- HPU-DA012 twelve quart usable volume reservoir, dual acting HPU (available special order upon request)
- HPU-RP12W2B spare/replacement HPU control switch/remote pendant assembly with 12' wire and two button box (includes wire assembly that attaches to the HPU)
- For installation instructions and additional information see our support section on our website <https://ramtrailerproducts.com/support/>

Hydraulic Power Unit - Dual Acting Power Up/Power Down/Gravity Down

STRONG & RELIABLE
RAM
PREMIUM
SERIES

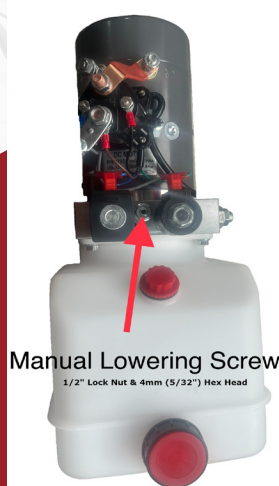

Hydraulic power units and control switch/remote pendant works with RAM hydraulic jacks and scissor hoist systems.

- Works with 12 volt deep cycle direct current RV/Marine trailer battery (not supplied)
- 1.6 KW 12v DC motor
- Dual acting - Power Up/Power Down/Gravity Down
- 3200 psi extension and 1500 psi retraction working pressure
- Gravity down feature saves on battery charge
- Includes control switch/remote pendant with 12' cord
- HPU-DAGD004 four quart usable volume reservoir, dual acting HPU (available special order upon request)
- HPU-DAGD006 six quart usable volume reservoir, dual acting HPU (available special order upon request)
- HPU-RP12W3B spare/replacement HPU control switch/remote pendant assembly with 12' wire and three button box (includes wire assembly that attaches to the HPU)
- For installation instructions and additional information see our support section on our website <https://ramtrailerproducts.com/support/>

Hydraulic Power Unit - Dual Acting Power Up/Power Down/Gravity Down w/Manual Override

STRONG & RELIABLE
RAM
PREMIUM
SERIES

Hydraulic power units and control switch/remote pendant works with RAM hydraulic jacks and scissor hoist systems.

- Works with 12 volt deep cycle direct current RV/Marine trailer battery (not supplied)
- 1.6 KW 12v DC motor
- Dual acting - Power Up/Power Down/Gravity Down w/manual override
- 3200 psi extension and 1500 psi retraction working pressure
- Gravity down feature saves on battery charge
- Includes a manual override function for when loss of battery charge - 1/2" lock nut and 4mm (5/32") hex head manual override screw resides between the solenoids on the HPU manifold. Important to loosen the hex head manual override screw slowly so scissor hoist retracts slowly
- Includes control switch/remote pendant with 12' cord
- HPU-DAMA004 four quart usable volume reservoir, dual acting HPU (available special order upon request)
- HPU-DAMA006 six quart usable volume reservoir, dual acting HPU (available special order upon request)
- HPU-DAMA008 eight quart usable volume reservoir, dual acting HPU (available special order upon request)
- HPU-RP12W3B spare/replacement HPU control switch/remote pendant assembly with 12' wire and three button box (includes wire assembly that attaches to the HPU)
- For installation instructions and additional information see our support section on our website <https://ramtrailerproducts.com/support/>

Hydraulic Power Unit - Dual Acting Power Up/Power Down w/2 to 4 selector

STRONG & RELIABLE
RAM
PREMIUM
SERIES

Hydraulic power units and control switch/remote pendant works with RAM hydraulic jacks and scissor hoist systems.

- Works with 12 volt deep cycle direct current RV/Marine trailer battery (not supplied)
- 1.6 KW 12v DC motor
- Dual acting - Power Up/Power Down
- 3200 psi extension and 1500 psi retraction working pressure
- 2 to 4 selector allows use with hydraulic jack(s) and dump hydraulic hoist system without having to use a separate manual hydraulic diverter
- Includes control switch/remote pendant with 12' cord
- HPU-DASEL006 six quart usable volume reservoir, dual acting HPU (available special order upon request)
- HPU-RP12W4B spare/replacement HPU control switch/remote pendant assembly with 12' wire and four button box (includes wire assembly that attaches to the HPU)
- For installation instructions and additional information see our support section on our website <https://ramtrailerproducts.com/support/>

Hydraulic Power Unit - Single Acting Power Up/Gravity Down

STRONG & RELIABLE
RAM
PREMIUM
SERIES

Hydraulic power units and control switch/remote pendant works with RAM hydraulic telescope systems.

- Works with 12 volt deep cycle direct current RV/Marine trailer battery (not supplied)
- 1.6 KW 12v DC motor
- Single acting - Power Up/Gravity Down
- 3200 psi extension working pressure
- Gravity down saves on battery charge
- Includes control switch/remote pendant with 12' cord
- HPU-SA006 six quart usable volume reservoir, single acting HPU (available special order upon request)
- HPU-SA008 eight quart usable volume reservoir, single acting HPU (available special order upon request)
- HPU-SA012 twelve quart usable volume reservoir, single acting HPU (available special order upon request) - typically used with 7 ton x 78" telescopic cylinder
- HPU-SA016 sixteen quart usable volume reservoir, single acting HPU (available special order upon request) - typically used with 7 ton x 78", 7 ton x 90" or 7 ton x 108" telescopic cylinder
- HPU-SA007GST seven gallon usable volume reservoir (steel tank), single acting HPU (available special order upon request) - typically used with the 12 ton telescopic cylinder
- For installation instructions and additional information see our support section on our website <https://ramtrailerproducts.com/support/>

Wireless Remote Control For HPU Systems

STRONG & RELIABLE
RAM
PREMIUM
SERIES

- **Wireless remote control for operating hydraulic jacks and cylinders**
- **Models for both single acting and dual acting RAM HPU's**
- **Programmable remotes - pair to the same or another RAM HPU with the wireless system**
- **HPU-WLES2B1RC - one remote system compatible with RAM 2-button pendant for dual acting and single acting HPU's (available special order upon request)**
- **HPU-WLES2B2RC - two remote system compatible with RAM 2-button pendant for dual acting and single acting HPU's (available special order upon request)**
- **HPU-WLES3B1RC - one remote system compatible with RAM 3-button pendant for dual acting HPU's (available special order upon request)**
- **HPU-WLES3B2RC - two remote system compatible with RAM 3-button pendant for dual acting HPU's (available special order upon request)**
- **For safety always be in full view of the trailer when operating hydraulic systems with any type of remote control**
- **For installation instructions and additional information see our support section on our website <https://ramtrailerproducts.com/support/>**
